

West River District Multi-Modal Network and Safety Improvements BUILD Segments 1 - 6

PROJECT PHASE

To learn more about what activities are completed during each project phase, visit tampa.gov/projects

PROJECT DESCRIPTION

This project provides for design and construction of a multimodal network for the West River Area.

What is the West River Network BUILD Project?

In early 2020, the City of Tampa submitted an application to the U.S. Department of Transportation to complete a package of mobility and safety improvements in the West River area. In the Fall of 2020, the City of Tampa received notice of a \$24M award from the U.S. Department of Transportation under the Better Utilizing Investments to Leverage Development (BUILD) Transportation Discretionary Grant Program.

COMMUNITY BENEFITS

Bike & Pedestrian Improvements / Complete Streets
