PROJECT DESCRIPTION

This project provides for design and construction of capacity and multimodal improvements along the E Hanna Ave corridor from N 22nd St to N 30th St., along the 24th St from Hanna Ave to Sligh Ave, and at the intersection of Sligh Ave and 30th St. The project includes the following proposed improvements: Hanna Avenue – 22nd Street to 30th Street: Roadway milling and resurfacing. Westbound Left Turn Lane into the new City Center at 2515 Hanna Ave. Intersection improvements at the intersection of Hanna Ave at N 22nd St and Hanna Ave at N 30th Street. 24th Street – Hanna Avenue to Sligh Avenue. Sidewalk along the west side of 24th Street. All Way Stop Signs at “T” intersection along 24th Street. Intersection at the Sligh Avenue and 30th Street. New Traffic Signal. Northbound Left-Turn Lane.

Please visit the Hanna Avenue Mobility Improvements page for more information on how this segment ties into the overall project.
