

Platt St and Fremont Ave - Traffic Signal

PROJECT DETAILS

PROJECT ID	1001848
DEPARTMENT ID	TRANS10023
CONTRACT ID	
PROJECT TYPE	Transportation
PROJECT STATUS	Closeout
PROJECT PHASE	P5: Closeout
NEIGHBORHOOD	South Howard
COUNCIL DISTRICT	6
COMMUNITY REDEVELOPMENT AREA (CRA)	Not in a CRA
FUNDING SOURCE	Transportation Impact Fees
FUNDING COMMENTS	No additional funding comments

ESTIMATED PROJECT COST

\$500,603

Funded: Yes

ESTIMATED SCHEDULE

CONSTRUCTION FISCAL YEAR	2025
PROJECTED START DATE	09/01/2025
PROJECTED END DATE	08/25/2026

PROJECT DESCRIPTION

This project provides for the design of a new traffic signal based on a safety-related signal warrant study.

The project will provide for the design and construction of two new mast arm traffic signals at the intersection of W Platt St and S Fremont Ave. As part of the project, minor geometric changes will be made as appropriate, including curb bulb-outs, new crosswalks, pedestrian signals, ADA-compliant ramps, detectable warning mats, and drainage modifications. The need for this project was identified by a safety study. The new signals should reduce severe right-angle traffic crashes and provide better transportation network connectivity for all modes.

COMMUNITY BENEFITS

Safety Enhancement
